Gene Haas Foundation

Peachtree District Championship, Mercer University, Macon Volunteer Schedule

Thank you for giving your time and talent to make our upcoming FRC season a success. We have a full complement of teams at each event eager and ready to put their skills to the test. Your willingness to volunteer will help them do just that.

Below, please find the volunteer schedule. Certain volunteer roles are referenced in this schedule and many of you have graciously signed up for more than one position. Highlight the areas that pertain to all volunteer roles you have signed up for, including event set-up and tear-down. We look forward to working with you and making sure you are well taken care of as one of our most valuable assets – our FIRST family of volunteers!
